

Saint Augustine's Saint Giles' Saint Luke's Castle St Methodist St John's Romanian Orthodox

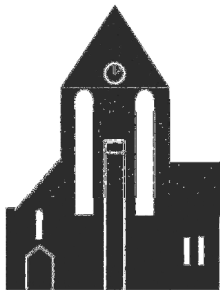

Although we recognise that the ability to spend time in church communally for prayer and worship can play a significant role in our mental and spiritual health, with infection rates rising rapidly in Cambridge and the increasing presence of the new, more transmissible variant of COVID-19, we have decided that the best and wisest course of action is to close our church buildings and offer services online.

Please be assured of our constant prayers for you all during this latest period of lockdown.

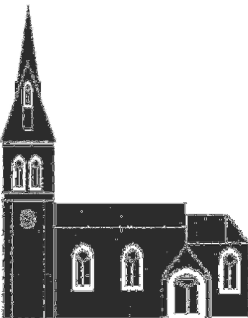

St Augustine's front porch is open for donations to the Foodbank on Saturday and Sunday afternoons and Monday mornings (pick up of donations is at 11.30 am on Mondays). At other times, there is a drop off box outside Ascension Rectory (95 Richmond Road, next to the church). Current list of most need items can be found

here; <https://cambridgecity.foodbank.org.uk/give-help/donate-food/>

St Giles' is currently closed, following the national 4th January Lockdown restrictions and high local infection rates.

St Luke's – please contact Rev'd Philipa King if you would like to spend time in church privately. Email: rectoratcastle@btinternet.com
