Grand Plant Sale for Christian Aid

Many thanks to everyone who contributed or bought plants and seedlings. Not only did we raise £125 to go towards our St Augustine's total but there was a lovely flow of people from the local community throughout the week, popping in to chat about their plants and gardens. It has given us a blueprint for next year.

ST LUKE'S NEWS

St Luke's Quarterly Giving Charity for April to June 2026

CRISIS <https://www.crisis.org.uk/>

Crisis was formed in 1967, as an urgent response to the growing homelessness crisis. "Since then, we have helped tens of thousands of people out of homelessness and campaigned for change. Homelessness is devastating, dangerous and isolating. Research has found 9 out of 10 people experience violence, abuse or theft whilst sleeping rough and are almost 17 times more likely to have been victims of violence. For many, life events like a relationship breaking down, losing a job, mental or physical health problems, or substance misuse put people under considerable strain. Being homeless can, in turn, make many of these problems even harder to resolve. However, in nearly all cases homelessness is preventable and in every case, it can be ended."

News of St Luke's church family

This monthly newsletter is published separately and available by email or printed copy on request. Printed copies are also available in St Luke's.

May Block has recently moved to Shrewsbury to be close to her family after about 50 years of living on Gilbert Road with her husband, Bill, and

family. They became members of the Victoria Road Congregational Church. After the move to St Luke's in 2005, May remained much involved including as a Pastoral Visitor and an Elder, then for many years as the Minutes secretary of the ECC. We shall all miss May's presence with us each Sunday and her quiet background work to keep things running smoothly, much of which is only becoming obvious now she is no longer here! We wish her every happiness in her new home.

CHRISTIAN AID WEEK 10 to 16 May

St Augustine's held several fund-raising events. You can see the total raised by the plant sale on page 2. Richard Footitt reports 'I banked £500 as St Augustine's contribution to Christian Aid Week.

This included income from the plant stall, the cafe@99, and returned envelopes - but not that contributed directly to Christian Aid by post or internet banking of course.' He does not say in what ways the volunteer dragon assisted the sales.

St Luke's are still counting the total of donations from their envelope deliveries to houses in the surrounding area and from giving by the congregation. The total figure will be available soon.

Friends of the Ascension Burial Ground News

AGM 13 June at midday

The AGM will be held in the Burial Ground on June 13th, immediately following the working party. Drink (some of it sparkling) will be provided but you are asked to bring your own sandwiches. Do let me know if you have any business for the agenda.

Moth trapping 20-21 June

Adrian Matthews and Annette Shelford have very kindly offered to set up moth traps in the Burial Ground on the night of Saturday 20 June. Please let me know if you would like to be present when they set up the traps on Saturday evening at around 8.30 or when they open them on the following morning (Sunday 21st). When we last organised a moth trap in 2023 we gathered 187 moths of 57 species.

Expertise wanted!

Ann Swarbrick and Suzie Carter will be looking after the posting of information on the Notice Board at the cemetery. It would be useful for them to know if any Friends *[or potential Friends!]* have expertise in anything connected with the Burial Ground which they might call upon, for example, wild flowers, butterflies, insects, birds, wildlife, trees, stone-cutting, local history or anything else. Please just let me know and I will gather a consolidated list.

With very best wishes to everyone

James Clackson

The Friends newsletter for 2025 will be available soon in the churches or from the Parish Office.

Hoping to see you there!

With thanks and best wishes,

The Trustees, Rosie, Richard, Jo, Cat, Inge and Sarah

New lease of life for musical instruments

Do you have an old woodwind instrument that is no longer in playing condition and needs some TLC, so that you can play it? Local teenager, Ben Deegan, has started a project to save old clarinets, saxophones and bassoons and bring them back into use. Ben is very knowledgeable about how to repair clarinets, saxophones and bassoons and has brought several instruments back to life, including some which were in previously very poor condition, and played beautifully at the end. He is happy to do the work for free, and charges only the cost of any replacement parts that are needed. If you have an instrument for repair, please write to Clarinet.restorations@gmail.com.
